**OUTDOOR GARDEN RANGE**

**2011/2012**

Tried and trusted - make your choice a Morrison

**MORRISON**<sup>®</sup>

**MORRISON**<sup>®</sup>

## PRODUCT RANGE

Durable, hardworking and well designed, the Morrison family of products offer a great combination of ease of use at an affordable price. Morrison products are known and loved by thousands of users worldwide.

The Morrison range includes lawnmowers, precision line trimmers, hedge trimmers, robust chippers, shredders, cultivators, lawn edgers and blower/vacs. You know if it carries the Morrison name, it's crafted with quality.

### Lawnmowers

Morrison has a mower for most lawns, large or small, from demanding conditions to the simplest of easy care lawns. Whatever your requirements, petrol powered or electric, heavy duty or lightweight - see your local Morrison dealer today.

### Blower Vacs

Tidying up has never been easier! In the range you'll find Electric and Petrol Blowers, some with Blower/Vac options, large operating capacities and high tolerance power units, yet are lightweight and easy to use.

### Hedge Trimmer

Intelligently designed and highly featured this lightweight petrol powered semi-pro trimmer trims hedges to a high standard quickly.

### Trimmers/Edger

Morrison has a wide range of Curved and Straight Shaft Petrol Line Trimmers. Complementing this range is an Electric Edger which is certainly a low effort way to keep lawn and garden edges tidy.

### Chainsaws

Well designed and reliable, Morrison chainsaws get the job done. There are a range of power options and bar lengths, each chainsaw offers something a little different.

### Chippers/Shredders/Tillers

Shhhh... looking for a super quiet shredder? With this unit, turn your garden waste into compost to feed a vegetable garden or flower bed. Using a lightweight, easy to manoeuvre Morrison Tiller will reduce the hard work involved in creating gardens.

## TRIED AND TRUSTED - MAKE YOUR CHOICE A MORRISON

### Morrison 24 Month Consumer Warranty

When you purchase a Morrison product, you can be sure you are purchasing a product crafted with quality. All Morrison products carry a 24 month consumer warranty. With a wide product range that is durable, hardworking and well-designed, you can trust Morrison. A range of quality spares and accessories are available.

Morrison recommends you use Masport/Morrison Oil and accessories - available from your local Morrison agent.

# PETROL POWERED LAWNMOWERS

Morrison Lawnmowers have unique, quality cutting systems. Most models are fitted with a twin blade cutting system, designed with a swingback feature that protects the crankshaft from damage if the mower should strike a solid object. Other models have the ever reliable bar blade system that can be resharpened.

Tried and trusted since the 1930's

## ELECTRIC & HAND LAWNMOWERS

The Morrison Hand Mower is perfect for those small jobs. If you're looking for an environmentally friendly option try the Hover Mower, or maybe try the Electric Mower with a powerful 1400 watt motor!

## BLOWERS & BLOWER / VACS

These are very handy tools around any home. Morrison offer both electric and petrol options. So clear up those leaves and debris as tidying up has never been easier!

\$

552462

### Hand Mower 400

- 400mm (16") cutting width
- Strong handle
- 12-45mm (½"-1¾") cutting height
- Lightweight plastic catcher that is easy to disengage

\$

552463

### Electric Hover Mower

- Quiet and efficient 1100 watt motor
- Single steel blade
- 340mm (13") cutting width
- Cutting heights of 10mm (⅜"), 16mm (⅝") & 22mm (⅞")
- An ideal lightweight mower for small lawns. Not suitable for cutting high grass

\$

552432

### BL260 Petrol Blower

- 4.2kg lightweight and easy to use
- High capacity
- 26cc engine delivers ample power
- High tolerance engine crafted with precision engine bearings

\$

552527

### Petrol Blower / Vac

- High capacity blower/vacuum that is surprisingly lightweight at only 6.3kg when set to vac
- 26cc engine delivers ample power
- Bag and shoulder strap included
- High tolerance engine crafted with precision engine bearings

\$

552464

### Electric Mower

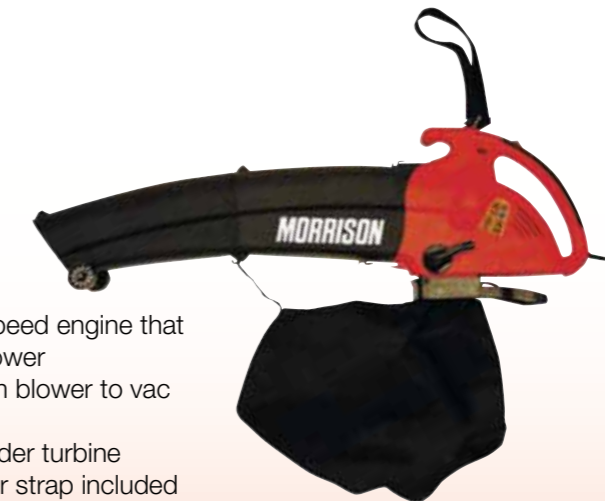

- 1400 watt motor gives the mower enough power to tackle a small to medium size lawn
- 380mm (15") cutting width so it can handle even larger spaces with ease
- Large 50 litre catcher (fan assisted catching) means fewer trips to empty
- Single lever height adjuster
- Uprturned handle with PVC grip

\$

552426

### Electric Blower Vac

- Powerful 2400 watt, variable speed engine that delivers 270km/h of blowing power
- Easy action lever to switch from blower to vac
- Large capacity 45 litre bag
- Cleaning flap for entry to shredder turbine
- Quick release bag and shoulder strap included
- 780 m³/h suction

## PETROL TRIMMERS

Morrison Petrol Line Trimmers offer

- Chrome bore cylinders for a longer life
- Dual ring pistons on some models for increased power and fuel economy
- Nylon and blade options come standard with the Straight Shaft Petrol Line Trimmers

## TRIMMERS / EDGER

Trimmers and edgers are indispensable tools for anyone who wants to keep their hedges and edges in good shape. A well manicured property certainly adds both beauty and value.

\$

### BC230B Curved Shaft

*Ergonomic sturdy design*

- 1/2 crankshaft 21.4cc engine
- Lightweight at only 3.87kg
- 330mm (13") cutting width
- Long reach shaft with loop handle
- Steel flexi drive shaft
- Tap 'n Go nylon head

\$

### BC260B Curved Shaft

*Designed to get the job done!*

- Semi-pro full crankshaft 25.4cc engine
- 330mm (13") cutting width
- Dual ring pistons
- Long reach shaft with loop handle
- Steel flexi drive shaft
- Easy start and includes fuel container
- Tap 'n Go nylon head

\$

### BC260 Straight Shaft

*Get the job done with precision*

- Semi-pro full crankshaft 25.4cc engine
- 440mm (17") cutting width
- Dual ring pistons
- Straight long reach shaft and solid spline steel drive shaft give it great rugged durability
- Shoulder strap and fuel container included
- Nylon and Blade options: Tap 'n Go nylon head, 3 tooth grass blade and 8 tooth blade.

\$

### Petrol Hedge Trimmer

- Semi-pro, lightweight (5.8kg) high tolerance motor delivers 26cc of power
- 180 degree rotating rear handle for easy manoeuvring into difficult spaces
- 600mm (24") cutter bar
- 28mm (1 1/8") cutting diameter means you can get the job done quickly
- Precision engine bearings

\$

### BC325 Straight Shaft

*The most powerful in our range*

- Semi-pro full crankshaft 32.5cc engine
- 440mm (17") cutting width
- Dual ring pistons
- Straight long reach shaft and solid spline steel drive shaft gives it great rugged durability
- Bullbar handle with pivoting shaft for better control/safety
- Full harness and fuel container included
- 3 Nylon and Blade options: Tap 'n Go nylon head, 3 tooth grass blade and 80 tooth blade

\$

### Electric Edger

- 1200 watt, 230V electric motor
- 190mm (7 1/2") cutting diameter
- Cutting depth can range from 17mm (5/8"), 29mm (1 1/8") or 40mm (1 5/8")

## CHAINSAWS

Morrison Petrol Chainsaws feature:

- Genuine Walbro carburettors
- Chrome bore cylinders for longer life
- Dual ring pistons for increased power and fuel economy
- Inertia chain brake is added for safety against kick back

### Chainsaw Tips:

See back page for a more detailed break down on useful tips such as:

- Checking your chainsaw
- Safety
- Work area
- Maintenance

552692

#### Model: MCS25

- Displacement: 25.4cc
- Chain bar size: 12" (30cm)
- Oregon chain
- Walbro carburettor
- Chrome lined cylinder
- Electronic ignition
- Anti-vibration system

552683

#### Model: MCS38

- Displacement: 37.2cc
- Chain bar size: 16" (40cm)
- Oregon chain
- Walbro carburettor
- Chrome lined cylinder
- Clean air intake system
- Electronic ignition
- Anti-vibration system

Why pay more for veges at the supermarket? Do it yourself!

- 430mm (17") tilling width
- 37.5kg makes it lightweight for easy manoeuvrability
- Briggs & Stratton 127cc petrol engine
- Robust and good looking

BIO2020

#### 5.5 Petrol Chipper Shredder

- Solid and reliable
- Kohler Courage 5.5 OHV IC engine
- Belt driven and chips branches up to 65mm (2 5/8")
- Single blade for chipping
- 9 hammer blades for creating the perfect mulch

552693

#### Model: MCS46

- Displacement: 46cc
- Chain bar size: 18" (45cm)
- Oregon chain
- Walbro carburettor
- Twin ring piston
- Chrome lined cylinder
- Clean air intake system
- Electronic ignition
- Anti-vibration system

552694

#### Model: MCS52

- Displacement: 52cc
- Chain bar size 20" (50cm)
- Oregon chain
- Walbro carburettor
- Twin ring piston
- Chrome lined cylinder
- Clean air intake system
- Electronic ignition
- Anti-vibration system

552494

#### Electric Chainsaw

- Smooth and quiet*
- Powerful 1800 watt motor
  - Chain bar size 16" (40cm)
  - Automatic oiler, safety chain break
  - Hand adjustable bar nut and heavy motor windings

Tried and trusted - make your choice a Morrison

**MORRISON**<sup>®</sup>

## Morrison 24 Month Consumer Warranty

When you purchase a Morrison product, you can be sure you are purchasing a product crafted with quality. All Morrison products carry a 24 month consumer warranty. With a wide product range that is durable, hardworking and well-designed, you can trust Morrison. A range of quality spares and accessories are available.

Morrison recommends you use Masport/Morrison Oil and accessories - available from your local Morrison agent.

## Chainsaw Tips

### Check Your Chainsaw:

Before storing or using your Morrison Chainsaw, it is important to check it. Ensure your air filter is clean, the chain is the correct tension, oiled, and that the teeth are sharp. Check for fuel leakage, loose fastenings and damage to major parts.

### Safety First:

Wear appropriate clothing and protective equipment, including helmet, protective goggles, thick work gloves, non-slip sole work boots and ear protectors. Safety gear can help prevent accidents.

### Check Your Work Area:

Ensure that all hazards are removed. Look out for tripping hazards and electrical cables.

### Maintain Your Chainsaw:

Correct maintenance will extend the life of your chainsaw and more importantly will make it safer to use. Have your chainsaw serviced if you notice any defects or if it is not operating as expected.

**Note:** Before cleaning, inspecting or repairing your unit, make sure that the engine has stopped and is cool. Disconnect the spark plug to prevent accidental starting. This information is provided as a guide only.

## Warranty and Disclaimer Info:

All Morrison products carry a manufacturer's warranty. Please refer to your warranty card supplied with each product for details and conditions for specific models. This brochure supersedes all previous Morrison Outdoor Garden Range brochures. Product specification, colours and prices are subject to change without prior notification. Not all models may be stocked at all stores. Whilst care has been taken in the preparation of this document, Morrison is constantly improving and updating its product range therefore model specifications may vary and should be checked at time of purchase.

## Masport/Morrison products are covered by the following design registrations:

405399, 405400, 407913, 407914, 407915
